Today me write plan Hotel in Thailand For you to get it and send to police Thailand check cctv or camera. Me forget name Hotel but if him go there him will know name Hotel of have only one Hotel in this way.

So if police can arrest him there. I hope Court her and lawyer can help me come back Thailand soon right.

I think if police check cctv them can know about him and can see him face. You know no much Africa guy stay there and have car white color to driving. Him have family. Him have Thai lady wife and have kids.

Maybe him have powerful and big connections. Him have big person big boss big police to support him.

Me only writing anything me know about him and information to get him for you.

Thai police me never believe about them works. Because
When them see moneys them will leave that.

Money can buy them. If them can arrest this go
I will believe Thai police again.

I will prayer for police can arrest him one day.
Amen...

I sorry about my English not good but Am try.

Sincerely
